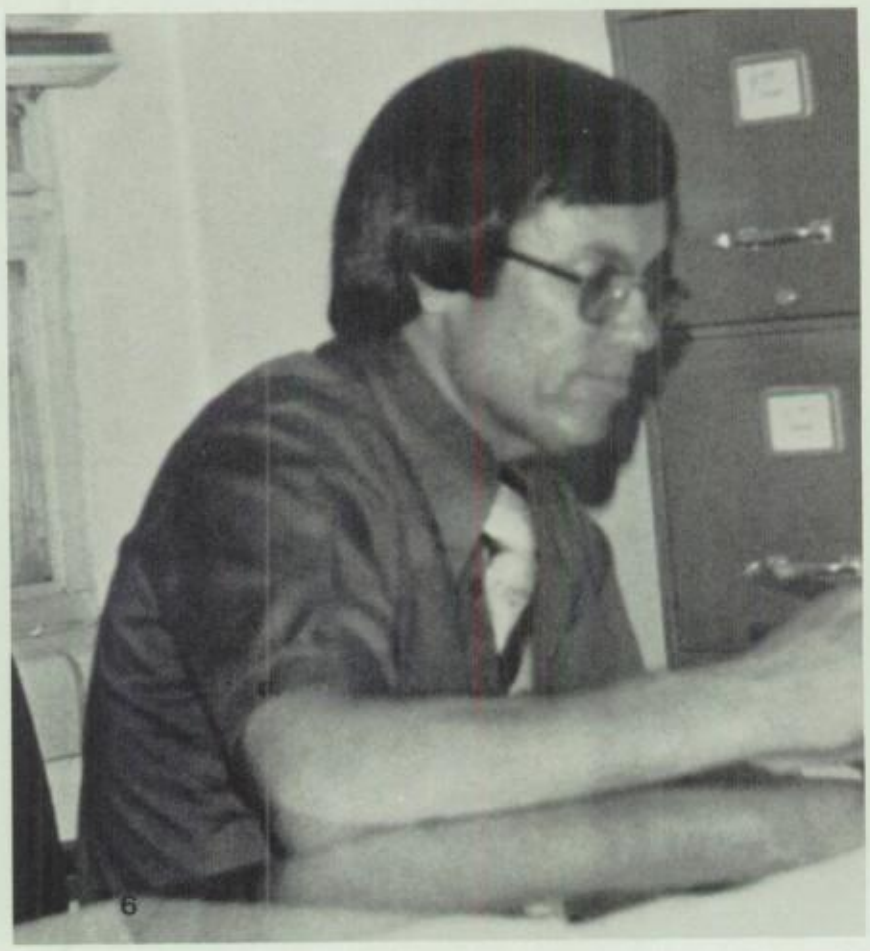
Entering its 24th year, Valley High School added a new class, the ninth graders. The transition went smoothly under the direction of Merl Riggs. Even though the size of the school has increased it has not posed any major problems. The administration did an excellent job of handling the increased load of students, teachers, and classes.



1 - Mr. Riggs takes notes for one of the many meetings he must attend during a busy day. 2 - Marlene Dunaway, assistant principal. 3 - Taking a break from the mornings problems, Merl Riggs pours himself a cup of coffee. 4 - Diane Schnepper listens intently to a student's problem. 5 - Mel Gonzales, assistant principal. 6 - Sam Sandoval, assistant principal. 7 - Lois Morris directs a student towards a morning conference with Mr. Sandoval. 8 - Eileen Neal and Eleanor Phares discuss their day's activities.

Valley had many special programs this year. Some new and some old. SSR was one of the new programs. Mr. Cook was the director over the Sustained Silent Reading program. Twenty minutes daily were set aside for purely reading.

Ms. Hays worked out the extracurricular activities. Planning dances and scheduling games were just a few of the many jobs of the Activities Director.

Col. Cline and Sgt. Gonzales were instructors instrumental in the ROTC program. Reserve Officers Training Corps was the stepping stone for many students' futures in the armed forces.

Under the direction of Ms. Patricia Baca the counselors made sure students had the credits they needed to graduate. The counselors tried a new method of reaching out to the students. Instead of meeting with just one student at a time, the counselors went out to the classes and talked with the students. They also held group seminars.

To Cathy,
I'm glad we're friends. It's been a great year. I hope we stay friends. Have a nice summer. Maybe we can get together. I hope you get to know Rebel real good.

Love always,

Homecoming Preparations Stir Interest

October was highlighted by Valley's twenty-third homecoming celebration. The preparations for this had begun in early summer and were finalized by the assembly, game, and dance. Football continued as the Vikings entered district play with high hopes, but a disasterous month saw them removed from contention. Girls' volleyball ended their regular season and prepared for district. Teacher's convention near the end of the month gave students a short vacation from their school work.

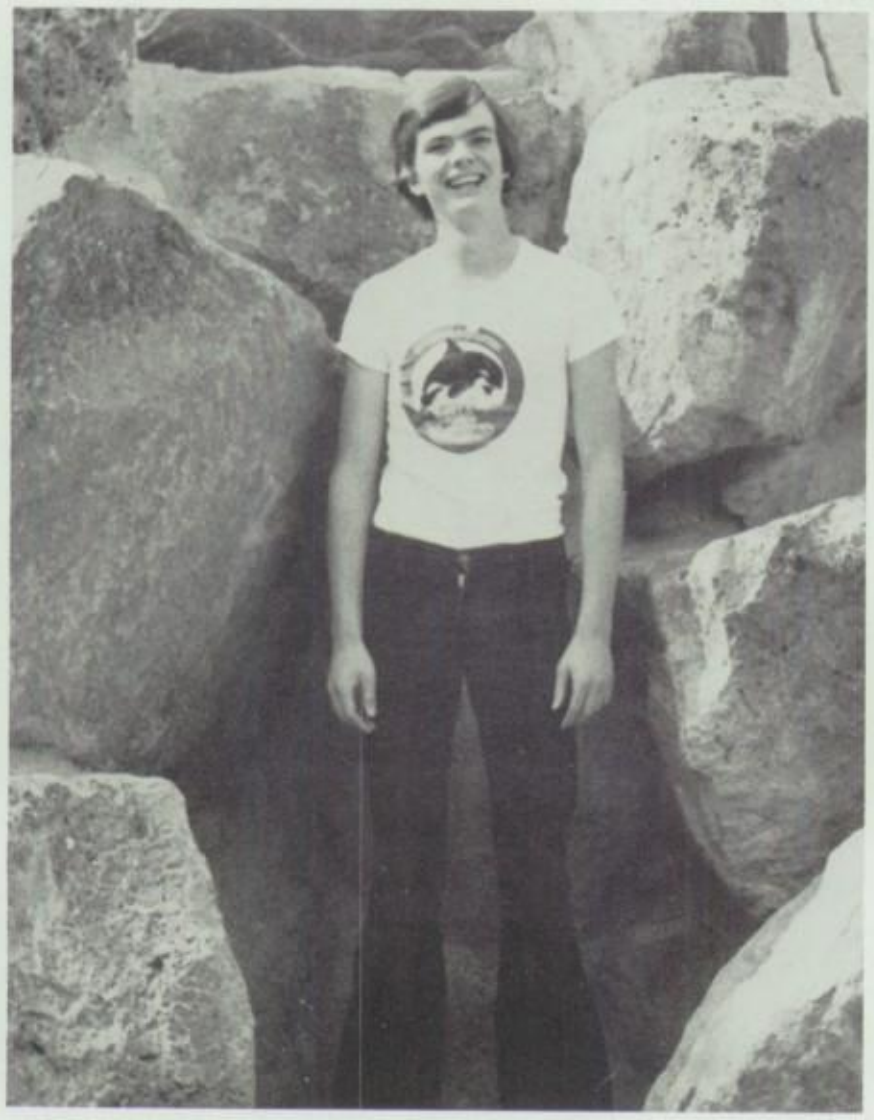
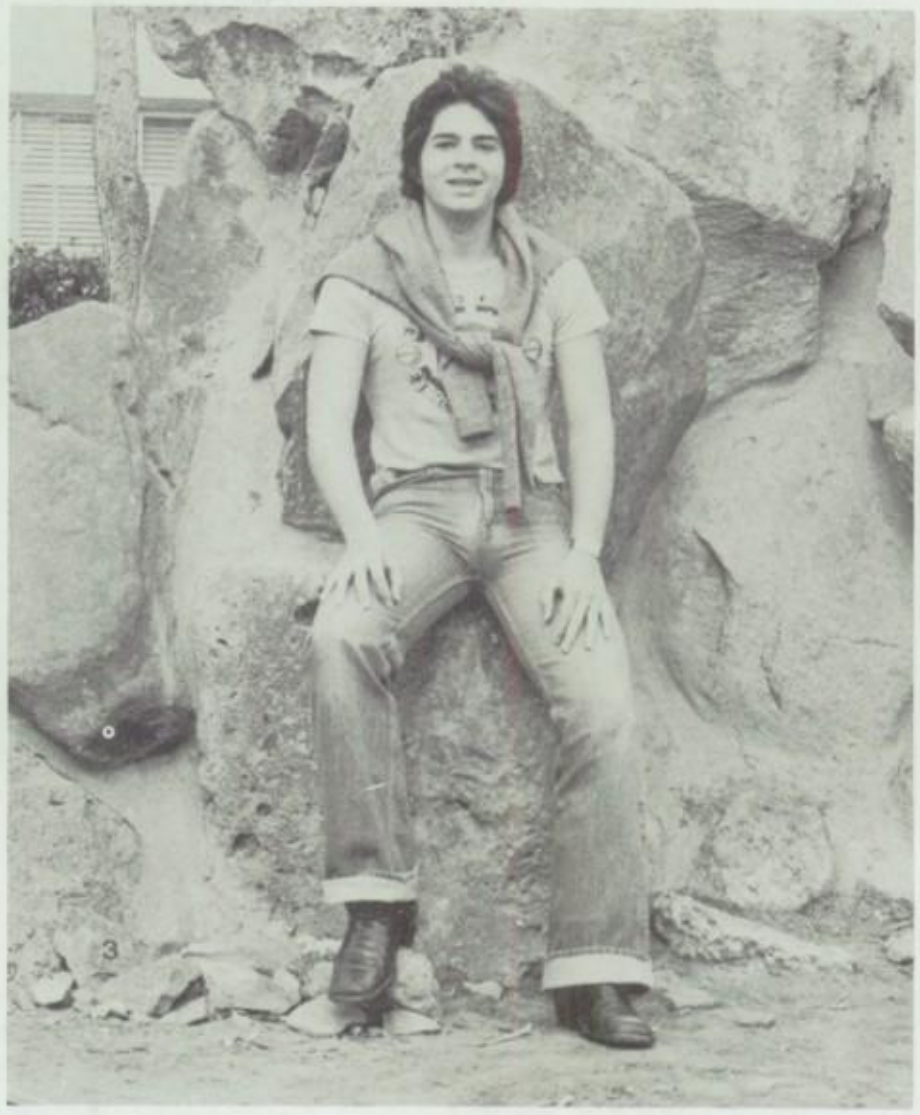
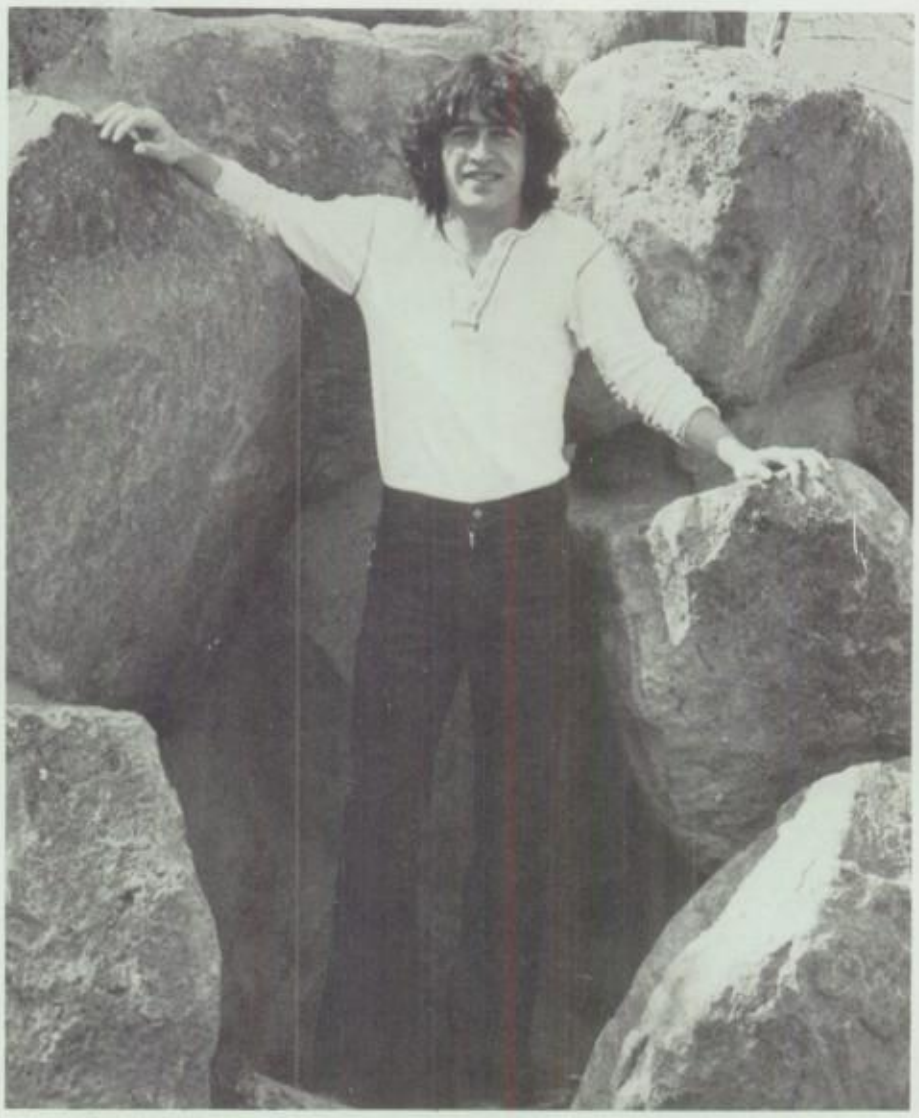
Student Body For 1977-78







Cathy),

Boy I'm stuck for words! Okay let me see..... Alright I'm ready! What a fantastic year we've had, and I don't mean the homework! I'm very happy you're going to have Sparkey + Rebel next year, How Exciting! You better introduce me to them early in the year, not like you did with Roper. I have so much to say, but I don't know how to put it in words. You know what a good friend you are to me! You also know what I think of Jones, Sparkey, Rebel, Roper and Mr. Wonderful (they're in no particular order), so I won't say anything about that. So all I can say is, "May all your dreams come true!"

Your friend always,
Jessica Shaffer

become very close friends.
I hope we will always
remain so.
Thanks for being one

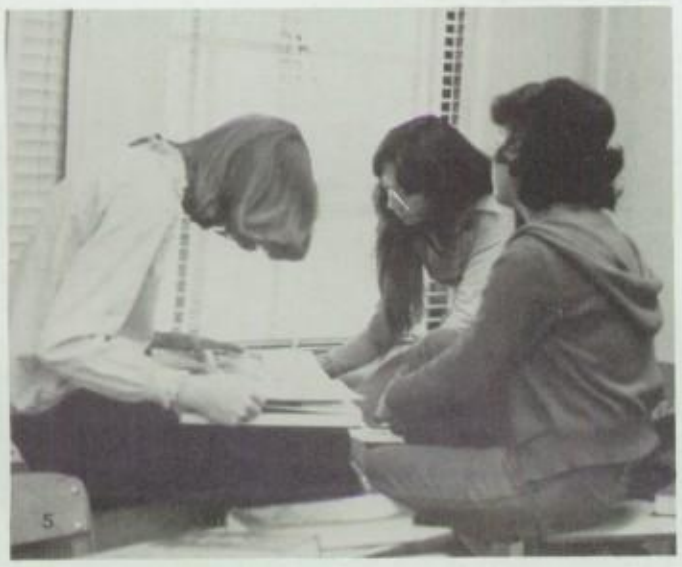
Saga Staff Suffers



5

Not having pictures on time, not having identifications, and running out of type sheets are just a few of the headaches Saga members had during the year.

Getting up every Saturday morning to work on the yearbook was always a pain. Tempers always flew in the early morning hours as people fought over liquid paper, black pens, red pens, and croppers.

The staff unanimously agreed that it was worth all the pain after we saw the finished product.

Various activities and events highlighted the year for Valley's resurgent band. With the addition of ninth graders the largest marching band in recent years entertained at homecoming and other home football games.

The band also played at the Albuquerque Museum during a Christmas party for children and at the Albuquerque Sun Port for the homecoming of World Champion Hot Air ballonist Paul Woessner.

During the winter the band helped support athletic team by providing pep bands for home games and promoting enthusiasm at Pep Assemblies. Also during this time the band sold candy to raise nearly $1500. In February the band sponsored the Sweetheart Dance with music by "Flipside". Late activities planned included a possible trip to the Durango, Colorado Festival and a "Fund and Frolics" competition against other high school bands.

Cathy, You a really sweet girl who always did a swell job in Algebra I. Maybe I'll get better in the years to come. Take care of yourself and don't change your sweet personality. Keep up the good work in Senate and stuff. Have a nice summer and I'll see you next year.

The 77-78 swim team, under the guidance of Mrs. Martha Eubank, with the addition of the Freshmen was the largest team Valley has seen in years. The underclassmen showed a lot of potential for the upcoming seasons. For many this was the first year they ever competed in swimming, but even with a large number of swimmers the team didn't have enough depth to win a majority of its meets. It did have like all the years in the past a small minority of swimmers who won most of their events and went on to place in the state meet. Most of these swimmers for the past two years have gotten up for practices at 5:00 a.m. then went after school for their second practice of the day.

Valley's girls' basketball team under the direction of third year coach Donna Wrenn struggled with injuries and lack of depth to final record below .500. One of the few bright spots of the season came when Diana Ozanich was named as Tribune Player of the Week because of her great improvement.

Valley's varsity basketball team opened the year as one of the favorites for the District 2AAAA title. In their pre-Christmas play the Vikings raced to a 4-1 record including a stunning 83-81 victory at Bernalillo which broke the state's longest home court winning streak.

The team then traveled to Hobbs to compete in the annual Hobbs Classic. The top teams from New Mexico, Arizona and Oklahoma were entered. Valley lost its first two games and won their last to place 7th.

In the district race Valley upset Del Norte at Del Norte and led the league at 5-0 at the end of January. However, in February the Vikes lost three district games in a row and fell from contention for the bye to state.

As the season ended, the Vikings were struggling to end with a winning record. Del Norte won the District 1AAAA title and Valley had to struggle in the District Tourney for a chance to go to state but was upset by Belen.

A quick mind, fast reflexes, and a smooth follow through are only basics of a good tennis player. Valley netters began practice in February under the new direction of both Ms. and Mr. Duncan. With the aid of these two, the teams are hoping to capture the district title and to win a position in the state tournament. The teams were slow starting off with only 6 returning players. With practice and patience, the teams got off well into the season.

Dear Cathy, You really are a sleeper person. I wish you had stayed on the tennis team. We really had a lot of fun and probably will have more next year. Well do me a favor and don't study too hard.

Hope you have a good summer! Take care, Love, P

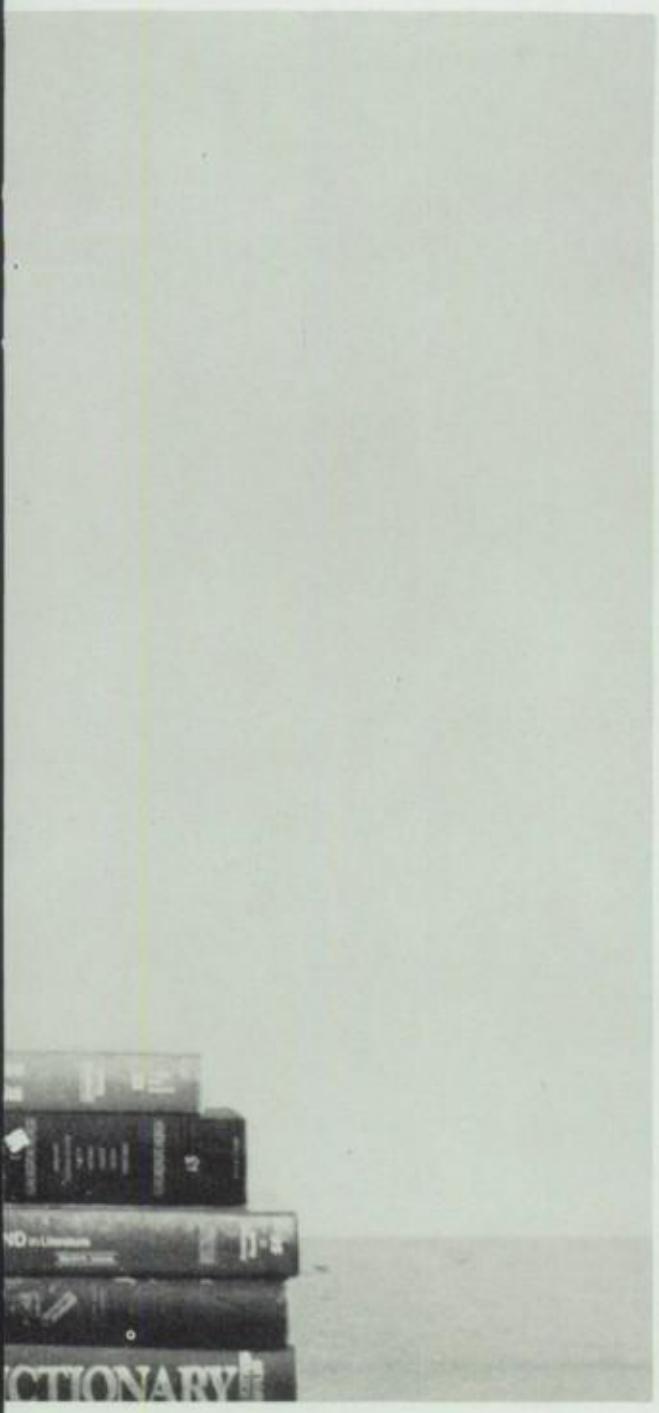
SENIORS

THE TIMES OF OUR LIVES



Class of 1978

Senior Class officers are Chris Long, president; Elena Sandoval, Vice President; Frederica Carnes, secretary; Tammy Raymond, treasurer; Jerry Fajardo, student council representative; and Kathy Allen, historian.

SENIORS OF 1978

The Class of 1978 entered Valley in September 1975 with a great deal of enthusiasm and spirit. It entered all class competition with zest and quickly showed that it meant to be reckoned with.

When class elections were held, Linda Tabet was named as president. She was assisted by Chris Long, vice-president; Mercy Leal, secretary; Ellena Sandoval, treasurer; and Nini Sanchez, student council representative.

Tony Perkins was the class choice for UMOC and although the class worked hard, he placed second behind the senior candidate. Spirit Sweetheart competition was another story however, as the sophomore candidate, Diana Chavez, won over her junior and senior rivals.

Also the class worked hard on money raising projects including selling bumper stickers, bake sales, dances, playnight, etc. to end their first year at Valley with a good start.

Under the leadership of new Junior Class president, Ellena Sandoval, the Class of 1978 began another great year at Valley. Other officers included Chris Long, vice-president; Anita Perea, treasurer; Tricia Brady, secretary; and Kathy Allen, student council representative. The class became famous as perhaps the "richest" group to ever have graced Valley's halls. The money needed for the prom in the spring was raised before half the year was over. The dance, held in May, 1977, was a great success. The University of Albuquerque Student Union was the site for the dance with the theme of "The Long and Winding Road". Decorations were primarily in senior colors of cherry red and turquoise with orchids as the main flower decoration.

Again the class placed second in UMOC with Chris Long as its candidate. Again the seniors won but not without a fight. Antoynette Montoya, the juniors' Spirit Sweetheart candidate won again this year.

Beginning the last and greatest year, the Class of 1978 elected Chris Long as president. His other officers included Ellena Sandoval, vice-president; Fredrica Carnes, secretary; Tammy Raymond, treasurer; Jerry Fajardo, student council representative; and Kathy Allen, historian.

For the first time in history of Valley, the class gave its gift to the school at the beginning of the year instead of at the end. The seniors were the principal donor of funds to purchase the new $3600 scoreboards for the gym.

The seniors held their place at the top of all class competition. They nominated Tug Herig for UMOC and worked hard for his candidacy. Selling M & M's, working in yards, and other jobs the class worked hard to win the contest.

As their work neared its end at Valley, the Seniors selected violet and yellow as their colors, George Benson's "The Greatest Love" as their song, and the sweetheart rose as their flower. As the day of graduation neared, the class looked forward to future with pleasant memories of Valley High.

Senior cheerleaders Gloria Montoya, Stephanie Padilla, and Anna Sandoval cheer at a Valley basketball game.

It was our job as the *Saga* staff to capture all the memories that we could and make a book out of them. We did this with the help of many people. We thank our photographers for always (almost) having our pictures for us. They were Mr. & Mrs. Bill Bell, Luke Colgan, Daniel Chacon, George Gonzales, and Mr. Jim Vannoy. Clara Rael was very dedicated and spent many long hours at school and home drawing layouts as our layout editor.

A special thanks goes to Mr. Bill Smith our Herff Jones Repre sentative. He would always come down to help us through our problems. Mr. Jim Vannoy deserves the biggest thanks of all for putting up with our "We didn't do it that way last year." I'm sure he lost many more hairs during the year.

I personally want to thank the staff for always going out of its way for the yearbook. I know that it was hard to get up almost every Saturday and come to school and work. Thanks for always (almost) having your layouts done on time.

We hope this book tells the story of the times of our lives in a way that you will cherish them and hold them close to your heart. Remember this isn't the end it is just the beginning of the times of our lives.
